

Low Poly „Sci-Fi Map“

Image	Name	Triangles	Materials
	corridor_corner	882 tris	7
	corridor_corner_mirrored	882 tris	7
	corridor_rounded	2,766 tris	11
	corridor_stairs	5,988 tris	15
	corridor_u	1,394 tris	8
	door_closed	38 tris	1

Image	Name	Triangles	Materials
	door_frame2	48 tris	1
	door_frame2_open	44 tris	1
	hangar_hall_empty2	6,488 tris	16
	storage_hall_empty	3,958 tris	11

This pack contains 7 corridors, a door frame and 2 doors to create very low-poly sci-fi maps.

A map created from these parts has been used by Trinigy on an iPad to present a technology demo.

Additional textures for normal, height, spec and emission maps are included (up to 1024).
